Steve,

That's great news on you wife's green cards congrats! Happy to have been able to help.

Here is the letter it's the same but with today's date.

Please check it to see if it's the one you mentioned.

Assuming it is, let me know and I'll print up hard 2 hard copies and mail them to you ASAP.

Hi Stewart,

Thank you very much for the employment letter you sent to me last time. My wife got her green card. It could

not be done without your help.

Could you please send me another employment letter? I need it for the visa application for my parents-in-law.

It can be the same as the letter you sent to me for my wife's green card application. You just need to change

the date.

Thank you very much! I really appreciate it.

Steve
